**Re: Mandatory Carriage Election
KJLA-(TV), Los Angeles DMA**

Dear Francis:

We received KJLA-TV's letter, postmarked September 14, 2005, electing mandatory carriage. EchoStar accepts your election and looks forward to carrying KJLA-TV during the upcoming cycle commencing on January 1, 2006 and ending on December 31, 2008.

EchoStar will carry KJLA-TV so long as the station does not substantially duplicate the programming of any other station within the market and complies with all federal must carry regulations, including the delivery of a good quality signal to the local receive facility.

EchoStar reserves the right to reject those stations that fail to deliver a good quality signal. Please contact Kip Wilcoxson, Engineering Manager, at our Cheyenne, WY Uplink facility at (307) 633-5483, should you anticipate signal delivery issues.

Sincerely,

Keely Goldberg
General Manager
