Dear Francis:

Thank you for your generous and valuable support. Please accept our sincere appreciation for **KJLA-TV's** membership for 2006. Your 2006 membership allows the CBA to better serve all California Broadcasters.

The CBA continues to offer up-to-date information on the rules and regulations that affect advertising, labor relations and other segments of our industry. Our 2006 statewide convention will be at the La Quinta in Palm Springs on October 6-7, 2006. It will feature a strong line-up of FCC commissioners/staff, advertising executives and technology consultants. We have invited the Governor to debate his opponent(s) in a live broadcast during the convention.

It is our privilege and pleasure in continuing to do our best job possible on your behalf here in Sacramento, and in Washington, DC. Thank you for your generous and valuable support. Please call if we can be of any help or answer any questions - it's your CBA.

Kindest Personal Regards,

Stan Statham
